## PALM OIL SUSTAINABILITY DASHBOARD

July – December 2024

PIL's Sustainability Dashboard is a central platform that consolidates key data on our operations and sustainability progress – providing vital insights for our stakeholders

### OPERATIONS

**Pacific Inter-Link Sdn Bhd (PIL)** is headquartered in Kuala Lumpur and serves as the central hub for a diverse range of business activities, including manufacturing, trading, marketing of consumer products and logistics services. PIL also leads the Group's sustainability initiatives.

PIL is supported by its affiliates located in both **Malaysia** and **Indonesia**, as well as an **oleochemical facility** in Indonesia.

PIL and its affiliated refineries and oleochemical operations are proud members of the **Roundtable on Sustainable Palm Oil (RSPO)**, underscoring our commitment to responsible and sustainable practices.
